LOCAL LEGIONNAIRES WILL KEEP FAITH WITH SUPERVISORS

DR. LAW RESIGNS DIRECTORSHIP

Physician Leaving Niles First of July For South

Dr. Chas. Law's resignation as a member of the board of directors of the Niles Chamber of Commerce was received in a letter read at the Tuesday noon luncheon meeting of that organization, due to the fact that Dr. Law is leaving about the first of July for southern California.

J. E. Townsend, secretary, was instructed to write a letter thanking Dr. Law for his efficient and conscientious services during the time of his directorship.

Dr. Law has been one of the leading "progressives" of Niles and has taken a leading part in all projects of the Chamber of Commerce.

Dr. E. C. Grau, who has been operating a hospital at Scotia for several years, has bought the Law Emergency Hospital and will arrive with his wife July 1, to occupy the cottage on G street. Dr. and Mrs. Law will leave Tuesday.

LEGION POST WINS MOBILIZATION TROPHY?

That the local legion boys will stand a good show of winning at least one of the cups offered by Governor Young and Commander F. N. Bigrano, Jr., for the post and district making the best showing in the mobilization which was staged last week, seems probable judging from the stories which have appeared in the bay region papers regarding the ratings of other posts.

The Washington Township Post registered 67 per cent within an hour and a half, while most of the other posts seem to have made a lower rating. Alameda Post registered ninety-five members within the first half hour.

There are 350 posts in the state. The mobilization last week was the state's part in the national program of summoning the American Legion members for emergency duty in connection with possible disasters.

The call was expected but the date and hour had not been announced.

Laurence Buntings Going to Yosemite

Mr. and Mrs. Lawrence Bunting and family will spend their vacation at Camp Curry in Yosemite, sometime in July.

Washington Post Votes To Pay Part Up-Keep Of Memorial Hall

Washington Post of the American Legion voted at their meeting Tuesday evening to pay their share of the maintenance of the Veterans' Memorial Buiding to be erected in Niles this summer, this action following a recent discussion as to whether the supervisors should pay all the maintenance, and said action being taken in spite of the fact that a committee of attorneys appointed at the last meeting of the County Council of Legion took the matter to the appellate court which decided that inasmuch as the memorial buildings would be county property, the county should pay all the maintenance.

The local post in taking this stand is probably setting a precedent that will guide other posts in the county. They argued that since the supervisors had voted the appropriation for building with the understanding that the post would pay a percentage of the maintenance it was only fair to keep faith with the supervisors and stand by the agreement.

Bids for the local memorial building will be opened July 2.

Garden of Allah To Feature Costume Dance

Brady's six-piece orchestra will play for two dances at the Garden of Allah for the Danville A. A. Club, the first of these events to be staged June 29, and the second on July 6.

An excellent floor and number one music are features of these entertainments which are gaining in favor with the public, several past dances proving both these characteristics of the Brady boys.

The dance on the sixth will be featured by the appearance of Miss Margaret Dolton and George Souza, in costume, contestants for the California championship of the raccoon dance.

DAY LABORER DIES WHEN CRUSHED UNDER PIPE

A man by the name of Lane, aged about 42 years, was instantly killed Monday afternoon at Irvington when a heavy gas pipe rolled or was dropped from a truck upon his back while he was engaged in the Pacific Gas and Construction work going on there at present.

The body is at the Bothelo funeral parlors in Centerville and an effort is being made to locate relatives. It is reported that he has a half-sister by the name of Mrs. MacFadden who is supposed to be in Los Angeles.

Lane was rooming at the Irvington hotel.

APRICOT MEN TO FORCE PRICE UP

Following the announcement that Shuckl Cannery is offering $75 a ton for apricots, growers of Washington Township have called a mass meeting for this evening at 8 o'clock at Anderson Hall in Centerville to see what can be done to force this price to at least $85 a ton.

This morning's papers announced that, unable to agree among themselves as to the policy to be pursued, the Canners' League of California, representing 80 per cent of the canned cling peach trade of the country, yesterday declined the gauge of battle offered by the California Canning Peach Growers' Association which has set $80 as the price for No. 1 stock, and for this year at least the canners will act as individuals in contracting for the unsigned peaches.

Growers hail the canners' decision as a complete victory.

While this situation has no connection with the apricot prices, local growers feel that the $75 being offered is too low.

Shuckl's Cannery, which has plants at Niles and at Sunnyvale, is not a member of the Canners' League of California.

P. G. & E. Will Occupy Bank Building

George L. Donovan, local representative of the Pacific Gas and Electric Company, will have his headquarters in the new bank building, expecting to move from the present location about August 1, according to announcement made today at noon. A lease for five years has been signed with the bank of Alameda County by the P. G. & E.

"This step is taken with a desire to give more and better service to our customers and to better handle our increasing business," said Mr. Donovan.

BUSINESS STOPS FOR FOURTH OF JULY THURSDAY

All stores, the bank, the library, and other business concerns will be closed Thursday in observance of the Fourth of July.

NIGHT WATCHMAN HAS 36 PATRONS

Chamber of Commerce At Last Meeting Of Season

Arthur Roderick, night-watchman, reported to the Chamber of Commerce Tuesday that he was making approximately $90 a month from the thirty-six merchants and residents who were paying him from $1 to $5 a month to guard their property. It was pointed out that only a limited service could be reasonably expected from so small a remuneration and the Chamber of Commerce seemed to agree with Mr. Roderick that it was an inedaquate sum.

Mr. Roderick is a private night-watchman employed by the above referred to thirty-six people, all but two or three of whom are First street merchants. Only his patrons are entitled to call upon him for service.

A lengthy discussion of the night-watchman problem featured the meeting Tuesday but nothing was done about the matter.

F. V. Jones reported on the mass meeting held last week in the interest of street lights for Niles but that matter also was left up in the air, the question of whether the Chamber of Commerce or a committee of merchants should attend to the matter being left unanswered, though the latter seemed the most favored suggestion.

As this was the last meeting until the first Tuesday of September, no director will be elected to fill the vacancy caused by the resignation of Dr. Chas. Law, until fall.

Mrs. George L. Donovon entertained several guests over the week-end from Sausilito and San Jose.

$15,000 Monthly Payroll Being Spent By Extra Workmen In Niles

About 150 extra men are employed by the Southern Pacific in Niles and vicinity at present, bringing the total pay-roll to at least $15,000 a month, according to Harvey Braun, local agent. A good portion of this money is spent with the merchants here as the men are quartered in the Souhern Pacific yards and will remain from one to three months.

Workmen are divided into four groups, signal men, carpenters, track-layers, and the bridge crew. Much of the track is being replaced with 130-pound steel.

Seven sets of crew quarters are being built on the Foothill road, somewhat similar to those in Old Town.

FORTY CHILDREN WILL ENROLL IN BEGINNERS' CLASS

About forty children are expected to enroll in the beginners' department at the Niles Grammar school next fall, according to secretary of the board of trustees, T. B. Murphy. Thirty-seven took the pre-school medical examination conducted recently under the sponsorship of the Parent-Teachers' Association and the Health Center.

Miss Enos who has had the beginners has been transferred to the next class.

Cherries Blister In Past Week's Heat

Although local cherries escaped damage caused by the recent rain, considerable loss was caused by the terrific heat of the past week, much of the fruit "blistering" so that the jobbers would not accept them. About 200 boxes were dumped from one ranch in Niles district and other similar instances were reported.

Do You Know Your Onions?

ALL RESIDENTS of Washington Township who have any fruits or vegetables suitable for display in the Niles exhibit at the state fair in Sacramento in September are urged to communicate with Harvey Braun, local member of the Alameda County Development Commission which is planning the exhibit.

A meeting was held Wednesday afternoon in Oakland, attended by Mr. Braun. All fruit and vegetables will be shipped immediately to the Consumers' Ice and Cold Storage plant in Sacramento where they will be kept in perfect condition until the first day of the fair when the products will be judged.

Some fruits and vegetables of astonishing proportions and excellent quality are raised in the township. It is urged that growers will cooperate in giving this vicinity a good showing. The name of the grower along with Niles will be placed on each product.

Local People Assist With St. Mary's Picnic

Children of St. Mary of the Palms at Mission San Jose were given a picnic at Neptune Beach the first of this week by the Alameda County Y. L. I. Supervisor Ralph Richmond had charge of transportation and was assisted by T. J. Caesari, Mrs. Ben Murphy, I. Salvadorini, A. Keller, J. Gomes, Mrs. J. Regan, Rose Garage, Palm Silva, Mrs. A. L. Juhl, M. Whitfield, M. S. Alameda, Joe Tells and Ben Rose.

The Sisters of St. Mary's wish to thank all those who helped make this a happy day for the children.

HIGHSCHOOL BAND TO PRACTICE ALL DURING VACATION

John E. Kimber, director of the high school orchestra and band, has arranged for rehearsals of the band to continue all through vacation, practice periods to be held weekly, beginning Monday evening at 7:30 o'clock. Grammar school players who would like to take advantage of this rehearsal are invited to attend.

Meetings will be held in the shop building. About sixty members are included in the high school band.

Mrs. E. A. Fingado has been visiting in Exeter.

Editorial Comment

WHAT A THANKLESS TASK!

THE Twentieth Annual Cherry Festival at San Leandro has had its day and passed from the stage. Perhaps it was well attended; the writer does not know. He did not go. He did see their window cards, though, and that was enough.

They bore the imprint of a San Francisco printer!

Strange, isn't it? A public enterprise of this kind, dependent largely upon the favorable publicity of the local papers, sending to another city for the printed matter to advertise the Cherry Festival.

Nothing difficult about the set-up and press-work of the window cards and posters. The Register could have done a better job. Any one of the three papers or the one exclusive job printing concern in San Leandro could have executed this work in a more creditable manner than the work done by the San Francisco house.

And all the time the San Leandro papers were carrying the banner of community boosting. The Reporter, we recall, publishes a column each week about the activities of the San Leandro Chamber of Commerce. That body must have a great deal to do with the festival affair.

And some people wonder why they have no larger and more frequently published papers in San Leandro. We wonder, on the other hand, that the town really is favored with even one paper, and that paper survives!

That is, indeed, a sorry spectacle in our sister city—a spectacle of unappreciativeness—a spectacle of business men uneducated in civic virtue—blind to the greatest asset a community can have—A PROSPEROUS PAPER.

With one hand these "reputed" leading citizens, managing the cherry festival, accept the favors of the Cherry City News, the Reporter and the Standard-Observer, and with the other, lavishly drop the public-subscribed funds into the lap of an outside printer.

It must be an exceedingly sad and thankless task running a paper in San Leandro.

CANNERY EXPECTED TO OPEN ABOUT JULY 8TH

According to J. E. Townsend, manager of the Schukl Cannery, the local plant is expected to open about July 8. The hot weather has damaged the cherries considerably but not extensively, Mr. Townsend thinks. The apricots have not been hurt, except ripening too soon the size will probably be smaller.

Shinns Will Leave On Sierra Club Trip

Mr. and Mrs. J. C. Shinn will take a month's outing with the Sierra Club, leaving Niles about the middle of July. The party will visit the Mt. Ritter district in the High Sierras.

CAMPFIRE GIRLS WILL CAMP AT SILVER LAKE RESORT

Seven campfire girls of Tinega Group will leave July 29 for two weeks at Camp Minkalo in the Eldorado National Forest. Mrs. J. E. Townsend, guardian, will accompany them. Those in the party will be Patsy Duffy, Estelle Martenstein, Evelyn Rose, Leona Solon, Lucile Alves, Muriel Fournier and Bonney May.

The girls will go to Stockton via train where they will spend the night at the San Joaquin County Campfire Girls' headquarters. Camp Minkalo will meet them there with cars and transport them over the 100-mile trip to Silver Lake. The trip will cost the girls approximately $30 each, the money having been earned by themselves.

Vacation Church School Will Open In Niles Next Monday

Children Of All Faiths Invited to Attend for Two Weeks

(By REV. A. W. SEEBART)

Good news for boys and girls and also for mothers and dads comes this week in the announcement that there will be another Vacation Church School at the Niles Community church. The first canvass of the situation seemed to indicate that the school would not be held until in August. However, in a teachers' meeting Monday, it was decided that the school could best be held during the first two weeks in July. So, next Monday, the doors of the church will be open at 9 a. m. to admit a host of boys and girls who are anxious to repeat the happy experiences of last year's Church Vacation School.

Miss L. Breiner, an expert in conducting vacation schools, is expected to be the superintendent again this year. Others on the teaching staff will be Mrs. A. F. Johnson, Mrs. J. Kimber, Mrs. Alma Inman Parker, Mrs. J. E. Townsend, Miss Dorothy Smith and A. W. Seebart.

Miss Smith and Mrs. Kimber will have charge of the beginners and primary department. Mrs. Johnson will be the supervisor of play in all departments and Mes-

ALUMNI SUGGEST WRIGHT MEMORIAL

U.C. Scholarship Suggested As Fitting Tribute To Former Principal

Discussion of a memorial to the late George W. Wright, former principal of Washington Union High school, featured the meeting of the Alumni Association at their annual dinner dance at the Country Club last week-end. No definite decision was made but various forms this memorial should take were suggested, including a scholarship for university students, a swimming pool, a tennis court, a sun dial, a fountain, etc. The scholarship seemed the most popular suggestion.

Officers elected were:

Miss E. Marie Sandholt, Centerville, president.

Miss Margaret Overacker, Mission San Jose, secretary-treasurer.

The dinner was served by the Country Club members and following the program dancing was enjoyed, about fifty being present.

Dance music was furnished by the Gygax trio. Musical program included numbers by the Misses Bothelho and Miss Marcella Norris.

Those speaking in favor of the Wright Memorial were F. V. Jones, E. B. Hodges, M. J. Overacker, Mrs. J. C. Shinn, Mrs. James R. Whipple, and others. This matter was in the hands of a committee appointed last year and the report was made through the president, Judge Allen G. Norris.

Niles Swelters For One Week

It's an ill wind that blows nobody good and an ill rise in the mercury that brings nothing but discomfort to mere mortals. At least one local merchant has hit a lucky streak this last week, Fred Nelson reporting approximately 500 sales per day during the hot spell. Dan Marble and Mendenhall's service stations have also done record business in ice cream and cold drinks as has the Mutural, the Wesley Hotel, the Florence Restaurant and other establishments having soda fountain facilities.

Since there is no official "weather man" in Niles, no definite record has been available for the past week. Reports range from 85 to 100 degrees as the hottest hours during the past days, any part of which has been "plenty hot." For the benefit of out-of-town readers, however, we hasten to assure that the nights have been delightfully cool and very few minutes when local residents were not made more comfortable by breezes from the ocean, even during the hottest portions of the day.

The canyon swimming holes have been working overtime, thousands of city dwellers flocking to this play-ground during the week-end.

Miss Estelle Hirsch, office secretary at the International Wood Products Company, will take her vacation the first two weeks in July.

Riley and Gomez Get Speedy Justice for Murder of Jones

George Ryley and John Gomez will hang for the murder of George E. (Dad) Jones, aged Livermore taxi-man. They were found guilty by a jury after a deliberation of but thirty-five minutes.

Judge Wood passed sentence Saturday.

Bay city newspaper editors declare the trial to be one of clear-cut efficiency. The Livermore Journal states: "The whole episode from the time the crime was committed, the quick apprehension of the criminals by Deputy Sheriff Van Patten, the speedy trial and the short deliberations of the jury, marks it as one of the fastest in the annuals of Alameda county crime history.

"Following the rendering of the decision of the jury, Ryley remarked: 'I'll have to pay for the fun I'm supposed to have had'

"Gomez, glancing darkly at Ryley, the two having become bitter enemies during the trial, remarked:

"'Does he still stick to that story? I guess he's got to stay by some plea to save his neck.'

"The crime for which the two Livermore youths were found guilty was of exceptional brutality. Jones, a man of 60 years of age, was known as always helping a stranger.

"It was because of this known habit of carrying large sums of money that the crime was supposed to have been committed. Testimony showed that he had but $23 on him at the time of the hold-up and murder."

The deed was particularly atrocious in that a number of blows with the hammer held by one of the boys was necessary to complete the act.

More expeditious handling of all crime cases would probably have a beneficial influence in deterring those who rush headlong into gaining their own desires at the expense of the injury or death of another.

It would take a powerful "sob sister" to solicit sympathy for these two.

FRED DREW IS MADE NEW MAYOR OF SUNNYVALE

Fred Drew, formerly of Niles, and manager of the Sunnyvale Shuckl plant, has been made mayor that town, according to information just reaching The Register office. Mr. Drew was victorious in the election held June 22, defeating a candidate who had been in politics thirty or forty years.

Mr. Drew has many friends here who will be pleased to hear of his victory and who will wish him all success in this civic opportunity.

RUSCHIN HONORED BY LEGION BOYS AT COUNCIL MEET

Out of gratitude for his many services and faithful loyalty as a member of the board of advisors, Louis Ruschin, of Newark, was presented with a leather bill-fold, engraved, at the meeting of the local post of the American Legion in conjunction with the County Council gathering here Tuesday evening.

Mr. Ruschin has gained an enviable reputation for the "eats" he treats the boys to at their banquets, taking most of the responsibility of this part of the meetings.

Livermore Men "Yawn" At Railroad Fight

There is one Chamber of Commerce in California that refuses to get excited about the fight between the Southern Pacific and Great Northern and Western Pacific railroads and that is the Livermore body.

This organization recently issued what is nothing less than a discreet yawn disguised as an official resolution on the subject. Admitting the chamber is in receipt of letters, telegrams, and personal solicitations from the railroads involved, asking for a resolution regarding the construction of the Great Northern-Western Pacific link between Kamath Falls and Keie, the resolution reads:

"Therefore, be it resolved that the Livermore Chamber of Commerce which, regardless of all the correspondence received is not familiar with the project or the necessity for the construction of the railroad, remain absolutely neutral in the controversy, and be it further resolved that it is the candid opinion of this Chamber that if the Interstate Commerce Commission should be influenced by any chamber of commrce, for or against the construction, then the United States is in due need of a new interstate commerce commission."

GRASS FIRE AT ASSOCIATED OIL COMPANY PLANT

What might have been a catastrophe for Niles this last weekend was averted by quick work of the speedy fire boys, a small grass blaze next door to the Associated Oil Company's station on the foothill road having been extinguished before it did any damage.

It is thought that a cigarette carelessly tossed from a passing car or by some pedestrain caused the fire.

K. C. TO STAGE BIG BANQUET TONIGHT

George Coit Will Act As Toastmaster for Lodge Event

Tonight the Centerville Council of the Knights of Columbus will entertain over 200 guests at a big banquet and program to be held in the Parish Hall, which is large enough to accommodate all.

George Coit will act as toastmaster at the banquet table. Dinner speakers are: District Deputy R. Rooney, of Oakland; District Deputy Dan Manning, of San Jose, and Attorney Frank Mitchell, of Hayward.

The councils of Oakland, Berkeley, Alameda and Hayward will put on stunts, which will undoubtedly be the hit of the evening. Prizes will be awarded for the most clever and original stunt.

The K. C. Orchestra, of Oakland, will also furnish some instrumental music. This concludes the evening's program which will be most enjoyable.

Mrs. Annie Vincent, of Oakland, is visiting Mrs. A. S. Enos for a month.

Rose Garage Sells Eight Chevrolets

The Centervile Rose Garage did a record business in the past week, as eight new Chevrolets were delivered to customers in that short length of time. For two weeks at the beginning of the month the Chevrolet factory in Oakland was shut down because of a strike of the employees, so the Rose Garage here could not deliver any at that time. The present record sales are making up for lost time.

The following are the proud owners of Chevrolets: Mrs. Dewburst, of Newark; Mrs. Lilenthoel, of Oakland; Mrs. Martenstein, of Niles; D. Harramoth, of Newark; A. Smith, of Decoto; K. Tanigawa, of Newark; T. Nishiyma, of Oakland; and Wm. Benbow, of Irvington.

Woodmen Defeated Athletic Club Boys

The Woodmen of the World Volleyball team came back into their full glory by defeating the Centerville Athletic Club All Stars in two decisive games Monday evening in the Centerville Gymnasium. This team has notihng to crow about this week, except the comeback scheduled for next Monday evening.

Following this exciting game, the winners and the losers sat down to a table of cool refreshments to renew their friendships. What is going to happen next Monday night was the main topic for discusion. Of course both teams expect to win.

The lineup was:

W.O.W.—	C.A.C.—
Allen Norris	Frank Madruga
Frank Botelho	Lenny Lucio
Andy Gronley	Buster White
George Robinson	Frank Souza
Tom Silva	Herman Mau

CENTERVILLE ASKS RIGHT TO PAVE MAIN STREET

Request for the formation of an assessment district at Centerville for paving the main street at a cost of $40,000 has been received by the board of supervisors, according to information given the Township Register. The request was made by a committee composed of Dr. G. S. Holman,, Frank Dusterberry and C. H. Waterbury who stated that nearly half the frontage has already been signed.

Under the proposed plan, the county would pay for re-paving the existing eighteen-foot pavement and for an additional twelve, while the property owners would pay for the twenty more required to extend to the curbs.

The length of the street is half a mile. The board has suggested that more than half the frontage be signed before official action is taken in order that protests may be made before and not afterwards in case there is any disagreement.

Library To Close During July 8-20

All patrons of the Centerville Branch Library are notified that the library will be closed for a period of two weeks—July 8 to July 20. The librarian, Miss Ormsby, will vacation during that period. This is the first year that the library has ever closed for a short summer vacation. Readers will have to stock up on reading matter before July 8 if they wish to have something to read while the library is closed.

GATCHEL RESIGNS FROM HIGH SCHOOL

D. F. Gatchel, social science instructor at the local high school for the past five years, announced his resignation from the Washington Union High school this week.

He will enroll in the University of Southern California, Monday, and continue studying until January 1 when he will receive his masters' degree.

Beginning with the new year he will teach social science in the Sequoia High school, Redwood City, as he has already accepted this position.

During the past five years Mr. Gatchel has held offices of importance in the following civic organizations: American Legion, commander and organist; Men's Club, and the Centerville Presbyterian church. His students and other friends will miss him greatly.

McIlhenny and Geo. Robinson Going North

Rev. James McIlhenny and George Robinson will motor to Canada next month. En route they will visit scenic beauties on the Pacific coast. The trip will be made in Mr. McIlhenny's Ford.

Miss M. Norris Will Entertain Sweet 16

The "Sweet Sixteen" worked in an extra meeting on Thursday. The hostess was Mrs. T. Oaks. The fortunate ones were: Miss M. Norris for points; Miss Miranda Norris, slams; and Mrs. H. Dusterberry, consolation.

Miss M. Norris will entertain them today (Thursday).

MAPLE CAMP ELECTS OFFICERS FOR NEXT YEAR

"THUNDERBOLT" AT FOX OAKLAND STARTING FRIDAY

A story that will electrify patrons with its powerful appeal is the claim of George Bancroft's newest all-talking production, "Thunderbolt" which starts a week's run at the Fox Oakland on Friday, the 28th.

"Thunderbolt" is the story of a man who took what he wanted, laughed when life rapped him on the chin, until a stripling youth stole his girl. He swore to kill that boy. But when he finally met him face to face, a climax is effected such as is said has never been seen before.

Fay Wray and Richard Arlen are the other featured players, with Fred Kohler in the heavy role. Audiences will not know until the final few feet of film just how the thirst for revenge is going to culminate, and it is requested that those who see the picture do not spoil it for their friends by disclosing the finish.

On the stage Fanchon and Marco present "Opportunity" Idea, featuring the winners of the Opportunity contest held in all the large cities on the Pacific coast. It is said to be one of the finest arrays of talent ever displayed and Misses Tommee Lee and Benita Annis from Oakland are headlining the Idea at the Fox Oakland.

Hermie King and his band, and Henri LeBe at the organ offer original and pleasing musical selections.

CHURCH SERVICES ARE DISCONTINUED

Niles Congregational Will Take Vacation In Month of July

Next Sunday will be the last meeting of the year to have regular classes at the Niles Congregational Sunday school. Beginning the following Sunday, there will be a general assembly with music, worship period, character stories, etc, the teachers to take turns as directors.

Church services will be suspended during the month of July as the pastor, Rev. A. W. Seebart, will be on his vacation at that time.

It has been suggested that all Sunday school services be suspended for August but no decision has been made. Plans for the Vacation Church school, spoken of elsewhere in this issue of The Register, were made at a meeting of the teachers held Monday afternoon.

Duarte's Opening Day Draws Crowds

One of the new features of the Durate Cash-Carry grocery store which did a rushing business on its opening day last Saturday, is the fresh milk department.. Bottled milk of highest grade is furnished by Ernest Nagli's Home Dairy to Duarte customers. Fresh eggs, butter, vegetables, bakery products and all lines of canned goods are in rapid transit from the new cash-carry store shelves to township homes, many Centerville residents having learned that the best of vegetables are at Duarte's.

On last Saturday, the opening day, the store was swarmed with customers who took advantage of the price-slashing event. Other specials just as attractive are announced in this week's Register. "It pays to advertise," said Mr. Duarte. "Due to the publicity we have given this opening, we had many people in the store who had never been there before."

Albergs and Elliotts Going to Pine Crest

Mr. and Mrs. J. J. Alberg are leaving this week-end for Pine Crest where they will camp for three weeks. Incuded in the party are Mr. and Mrs. T. H. Elliott and daughter, of Niles, and a number of friends from the city.

Building permits issued in Wilmington during May totaled $216,305.

Personal Mention.

Mr. and Mrs. Bluett, of the Belvoir hotel, spent Sunday in San Francisco.

Mrs. Guy Velsir and daughter, Mrs. Fuller Lyman, of Oakland, called at the Belvoir hotel this past week.

Mr. and Mrs. Dean Lord returned Wednesday from a trip up the Redwood Highway and will visit Mr. and Mrs. Ernest Martin for several days before returning home to Los Angeles.

Mr. and Mrs. Ernest Martin attended a bridge party in Oakland Monday evening in honor of Captain and Mrs. Anderson who are leaving for a trip around the world. Captain Anderson is captain on the Dollar Steamship Company line and has been granted a six months' vacation. Captain Anderson brought the famous "Old Soak," Secretary-of-State Stimson's pet parrot, from Honolulu recently on the President Wilson.

Miss Ione Cahill, second-grade teacher, at the Niles Grammar school, has resigned to go to San Bruno.

Jackson Townsend is spending two weeks at Diamond Camp.

Marshall Green has just returned from two weeks at Diamond Camp.

Mr. and Mrs. W. D. Patterson have returned to their summer home in Newark after spending the winter in Palo Alto.

Miss Ellen Davis, of New York, is visiting Miss Milicent Shinn, being detained from returning home by a broken wrist which she suffered when she slipped and fell on the ferry crossing from San Francisco recently. Miss Davis came west with her brother, former dean of the Cathedral of St. Louis, who attended the recent reunion of the class of '79, U. C.

Mrs. E. W. Mendenhall and Miss Daisy Mendenhall were in Oakland Tuesday.

Miss Daisy Mendenhall will return to Armstrong's Business College in Oakland after the first, after a two weeks' vacation in Niles with her family.

Miss Betty Houghton has returned to San Francisco after a short vacation spent in Niles.

Mrs. H. E. Leash and daughter are enjoying a motor trip in the north, including Vancouver and othr points.

Mrs. Owen Swainson spent the week-end in San Francisco.

Mrs. Robert Blacow is still enjoying a visit at Sutter Creek with her parents.

George Rose and party returned from a week-end fishing trip in the Yosemite country.

Mr. and Mrs. Al Juhl have a new Pontiac coupe.

FARM PRODUCTS SHOW, HAYWARD AUGUST 7 TO 11

Among the feaures of most general interest in connection with the Alameda County Farm Products Show, which this year will be held at Memorial park in Hayward, August 7 to 11, is the queen's contest, now getting under way. In this issue of The Register appears a nomination ballot which may be used to place in the race the name of any Niles belle thought by her admirers worthy to reign as queen of the show.

This ballot should be filled out and sent to the office of the Hayward Chamber of Commerce as promptly as possible to assure the candidate an even start in the contest. The nomination period will close July 4, and the active competition will start immediately afterward. The girl who sells the largest number of tickets to the show will be crowned queen at a ball to be given by the Federated Improvement Clubs of Southern Alameda county the night of August 3, at the Burbank school in Hayward. She will reign as queen for the five nights of the festival.

Last year's queen, Miss Minnie Opperman of Livermore, received a court gown and a $100 diamond ring as reward for her work in the contest, and similar prizes will be awarded the queen of this year's show. Other girls who remain in the race until the close also will received dresses and act as maids of honor to the queen.

"We get excellent mileage"

— writes WARREN *of Hayward*

Operating a fleet of five trucks between Oakland and Modesto, Mr. E. Guy Warren of Hayward watches closely the performance of the motor fuel he uses. He has been using Associated Gasoline exclusively and states that he is glad to recommend it.

"We believe that since we have been using Associated Gasoline," he writes, "our trucks have been operating more efficiently than they used to. We get excellent mileage and your gasoline gives us all that we can ask for in the way of power."

Drive in at the red, green and cream station or garage and fill up with Associated Gasoline.

It is a dependable gasoline that gives "More Miles to the Gallon." It starts easily, responds eagerly to your throttle at all speeds. It is a clean motor fuel, refined to insure complete combustion and to minimize carbon formation and crankcase dilution.

STRANGELY mingled were the feelings of the historic gathering as for all time the American flag was hoisted above the small city El Pueblo de Nuestra Senora la Reina de Los Angeles in January, 1847.

Romantic bits of western history such as this are revealed in the Associated Oil Company radio program, "Roads to Romance."

Listen in each Wednesday evening, 8 to 8:30 p. m., on stations KPO-San Francisco; KGO-Oakland; KFI-Los Angeles; KGW-Portland; KOMO-Seattle; KHQ-Spokane.

Wives should "keep up" mentally, keep fit physically, never forget their appearance.

Remember what he admired about you when he "popped the question"—that is a wife's part of the bargain.

How long has it been since you took your wife out to a dance?

Wives are their husband's partners, but seldom get a partner's share.

Debt is the opening chapter of 90 per cent of domestic unhappiness.

Children from homes of love and respect always turn out worth while.

Mrs. L. B. Brown Dies At Highland Hospital

Many friends of Mrs. L. B. Brown, of Sacramento, were shocked to hear of her sudden death at the Highland hospital, Tuesday evening. She was only taken there several days before her death. For the last two years, the deceased has been suffering from chronic troubles.

For the last four summers Mrs. Brown and her two youngest daughters have made their home in Decoto, in which time they made many friends.

The body was taken to Sacramento for interment.

The deceased leaves her husband, four children, Claudine of Sacramento, Lesley of Ripon, Virinda of Sacramento, and Aletha of Chico.

Mrs. Willard Myles and children, and Majorie and Mary Fox, of San Jose, visited the G. W. Courtney family Wednesday.

BEWARE OF PETTING Parties

This is the story of a petting party. Beware!

All is not gold that glitters and all that is supposed to be tame is not so—the bears, for instance, at Yosemite National Park.

Mr. and Mrs. Frank Rose have returned from a visit to that beautiful wonder spot with some interesting bear tales—interesting but rather painful for the participant in the incidents.

One tourist, wishing to tease old Bruin with a bit of bacon which he dangled invitingly and then shut up the glass of the car still waving the tempting morsel was very much surprised when ole Bre'r Bar struck out with his paw and shattered the glass, sending the would-be jester out the other side of the car in double quick time.

A little girl, attempting to pet another of the park bears, was bitten and sent to the hospital, painfully but not seriously injured.

PROMINENT AD CLUB MEN SEE COMMUNITY

Hundreds Pass Through Niles On Way To Castlewood

Last week-end when the Pacific Advertising Clubs' Association delegates attended the closing festivity—barbecue at Castlewood Country Club, hundreds of prominent business men from all over the country drove through this section of the county and viewed our wonderful agricultural acres and the scenic beauties of Niles Canyon.

The feature of the day's program was a pageant and operetta, 'Mission Play of San Jose de Guadelupe," portraying the romance of Alameda county. The play was in three parts, "The First Americans," showing the home-life of the Digger Indian, "The Coming of the White Man," depicting the arrival of Spanish gold seekers and priests and the founding of the Mission San Jose, and "The Hacienda," showing the life of the Spanish settlers and American gold seekers.

The barbecue was held in the hills above Castlewood and dinner in the evening was served in the casino. A golf tournament featured the afternoon, the ladies enjoying bridge.

Two Visitors At Fiesta In Court

Andrew Lewis, of Centerville, was fined $10 on a battery charge before Judge J. A. Silva Tuesday in the Niles justice court. Harold Tardio, of San Jose, was also fined $10 for disturbing the peace at the recent I. D. E. S. fiesta in Mission San Jose, the Lewis offense having occurred at the same place. Tardio was charged with using objectionable language by Constable Manuel Bernardo.

YOUR QUESTION AND ITS ANSWER

QUESTION—"I am a woman of 56 and have been told that I have high blood pressure. I am over weight but do not seem able to reduce. Am five feet tall and weigh 190 pounds. What is your advice?"

ANSWER—There is no doubt but that you have high blood pressure if the above is correct. My advice to you is to do something about it at once. If you are properly dieted and treated there is no reason why you should not regain a normal weight and blood pressure. My methods will do this for you if you will follow instructions as to diet and take your treatments regularly. Phone for an appointment and examination. There is no charge for this.

Making Dam and Swimming Pool Features Boy Scout Expedition

Closing Event of Season Is Over-Night Hike To Geary's

One of the beneficial results of scoutcraft is teaching boys ingenuity—in other words if a swimming hole is desired and there's only a shallow stream of water, it's a simple matter to build a dam and make a pool. This was one of the interesting features of the recent over-night hike the Niles Troop enjoyed, described below by A. F. Johnson, secretary of the scout committtee:

As the closing event of the Boy Scout activities, sixteen members of the local troop, accompanied by J. E. Townsend and A. F. Johnson, spent Saturday and Sunday at Geary's below Calaveras Dam The troop was transported there by Schuckl's truck and camp was made in a shaded spot near the bank of Alameda creek. The location was ideal, as the boys could enjoy swimming, fishing, hiking, nature study and many outdoor games but due to the warm weather their activities were limited for the most part to swimming.

As a pool large enough to accommodate the whole troop could not be found, a site just below one of the larger pools was selected for the erection of a stone and gravel dam. This dam, constructed from materials found only close at hand and with no tools except a couple of dish pans in which to carry gravel scooped up with the hands, was approximately thirty-five feet long and from two and one-half to three feet in height and backed the water up the creek about two hundred feet. The deeper portions of the pool thus formed were large enough for everyone to enjoy a good swim and was in almost constant use during the two days' stay.

Four meals a day of plain, wholesome food were served and no complaints of hunger were heard. With the exception of canned milk and fruit all other food was cooked right at the camp. Below are the menus:

Saturday Noon Lunch

Hot dogs, rolls, sandwiches and ice water.

Supper

Vegetable and meat "Mulligan," bread and butter, canned peaches.

Sunday, Breakfast

Hot cakes, fried or scrambled eggs, chocolate, canned peaches.

Sunday Lunch

Fried potatoes and onions, bread and butter, canned peaches.

outline of the program each morning during the next two weeks:

8:50—Line up and march in.
9:00—Preparation for worship.
Theme for the day—"Peace and Good-will."
9:00 to 9:30—Worship service. Story, hymns and prayers.
9:30 to 9:45 — Memorizing of hymns.
9:45 to 10:00—Character story.
10:00 o 10:15—Missionary study.
10:15 to 10:30—Directed recreation.
10:30 to 11:00—Bible study.
11:00 to 11:45—Handiwork and craftwork.
11:45 to 12:00—Pupils' council meeting.

From the above program it will readily be seen that a large emphasis will be placed upon character training, the choosing of right ideals, the appreciation of music, art and literature and the cultivation of right attitudes and actions toward others. Parents should cover such an opportunity as the Church Vacation School offers to their children.
